NICOLE THE MATH LADY OVERVIEW

TK-12TH MATH

Saxon Math
*with optional support
from*

- **Nicole the Math Lady**

SAXON MATH OVERVIEW

TK-12TH MATH

What do I need to use?

- Internet Access for student & parent to access MyMathAssistant.com online
- Saxon student textbook and worksheets / tests booklet
- Daily work problems are not included on the website due to copyright licensing - student will need the book to complete the lessons/tasks to see the problems
- You may wish to purchase the teacher's solutions manual
- Items needed to complete Saxon curriculum like individualized lines, lined paper, graph paper, etc.
- Field Subscription to MyMathAssistant.com
 - Single Student & Family Plan (2-5 students)
 - Online Grading/Work Lessons available separately (if needed)
 - Pay monthly or annually - when you pay annually you get 12 months for the price of 10
 - Subscriptions are based on time and not on the number of books you student owns (one textbook is available at a time while the others are "inactive")
