

SPCA Student Budget FAQs

Q: How much of my student's budget can be used on robots or robotic kits?

A: Robots and robotic kits are limited to \$100 per year.

Q: How much of my student's budget can be used on a backpack?

A: Backpacks should be limited to \$50.

Q: Can headphones be purchased for my student?

A: Yes but only using a Purchase Order with an approved Community Partner. Headphones, maximum of \$50 (Must be ordered by the teacher through an EMR)

Q: Can High School students get reimbursed for materials for Community College classes?

A: Yes, if the materials are required for the class. A syllabus from the class indicating the required materials must be submitted with the reimbursement request.

Q: Can I spend student funds on a globe?

A: Yes, but it must be a standard globe (not light up or talking) and must be less than \$50.

Q: Can I submit Bank or Credit Card statements as proof of purchase or payment?

A: No.

Q: Can the school order items from Amazon for my student?

A: Yes, the school can order workbooks, textbooks, and novels. Any other school related items can be purchased by the parent and submitted for reimbursement.

*Guidelines for lego and special projects are outlined in the PCI Usage of Educational Units
